A Grenj Fashion Brand

## Who We Are

La Galia is a premium B2B wholesale brand backed by Grenj Fashion's fully vertical production infrastructure in Istanbul, Turkey.

We handle the entire production cycle in-house — from pattern making and cutting to sewing, fabric production, quality control, and packaging.

This means consistent quality, reliable timelines, and competitive pricing for our wholesale partners worldwide.

With over 1.2 million units annual production capacity and a proven track record of delivering 450,000+ units to Trendyol Milla in 2025, La Galia is built for serious retail partners.
